Date: 23/9/2025

To
The Principal,
Santhiram Engineering College,
Nandyal.

Respected Sir,

Sub: Request to approve a One – Day Coding Program Code - X in association with IQAC, IIC, SREC IEEE Student Branch and IEEE Computer Society– reg.

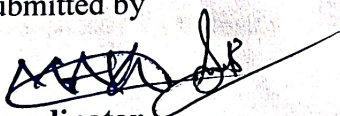

Ref: Lr. No. SREC/IQAC-1/2025-26, Dated: 30-06-2025

The Department of Computer Science and Engineering proposes to organize a program titled "**One – Day Coding Program Code - X**" in association with the IQAC IIC, SREC IEEE Student Branch and IEEE Computer Society, at SREC on **25-09-2025**

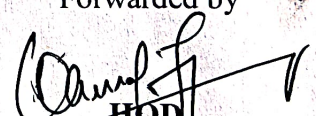

This initiative is intended for the benefit of the All CSE students, aiming to enhance their academic and professional development through active participation. We kindly seek your permission to commence the planning and execution of the aforementioned program.

Thanking you sir,

CIRCULAR

The Department of Computer Science & Engineering, in association with the IEEE Computer Society Student Branch Chapter, is organizing a one-day coding program, "CodeX", on September 25, 2025.

This event is open to all CSE students and aims to provide them with an opportunity to explore, practice, and enhance their coding skills.

- Registration Fee: ₹50/-
- Attractive prizes will be awarded to the winners

Interested students are required to register for the program.

A one Day Program “Code-X”

Date : 25/09/2025

Organizing by : Department of CSE In Association With SREC
IEEE Student Branch STB17901 and IEEE
Computer Society SBC17901B...

Subject : Coding Challenge

No of Students Attended : 110

The Department of Computer Science and Engineering, Santhiram Engineering College (Autonomous), Nandyal, in association with the SREC IEEE Student Branch (STB17901) and IEEE Computer Society (SBC17901B), successfully organized a One-Day Coding Program titled “Code-X” on 25th September 2025 at the CP Lab.

The main objective of this program was to enhance the **coding, analytical, and logical reasoning skills** of students and to create a competitive environment that encourages innovation and problem-solving abilities. The event also aimed to promote the culture of coding among engineering students and prepare them for various technical challenges and hackathons.

The event commenced with an inaugural session where faculty coordinators briefed the participants about the importance of coding and how competitions like “Code-X” help build a strong foundation in programming. The program was well-coordinated under the guidance of the **Head of the Department of CSE, faculty members, and IEEE Student Branch mentors.**

NAAC (Grade-A), Accredited by NBA (ECE & CSE)
ISO 9001:2015 Certified Institution, Permanently Affiliated to JNT University,
Ananthapuramu.NH-40, Nandyal - 518501, A. P.
Web: www.srecnandyal.edu.in

Event Structure

The competition was conducted in **three rounds**, each designed to test different levels of programming expertise:

1. Round 1 – MCQ Round:

Participants were given a set of multiple-choice questions covering fundamental programming concepts, logic building, and algorithmic understanding. This round tested their theoretical knowledge and quick-thinking ability.

2. Round 2 – Logical Coding Round:

Qualified participants advanced to this round, where they were required to solve moderate-level coding problems using their preferred programming language. The focus was on algorithmic thinking and efficient coding practices.

3. Round 3 – Problem Solving Challenge:

The final round was a time-bound competitive challenge that involved solving real-world programming problems. It evaluated participants on **logic, optimization, and problem-solving speed**.

Highlights and Outcomes

All participants actively took part in each round, showing immense enthusiasm and technical talent. The program provided a platform for students to apply classroom concepts in real-time problem-solving scenarios. It also encouraged peer learning and collaboration.

At the end of the competition, **top performers were declared as winners**, and they were **awarded with prizes and certificates** in recognition of their exceptional performance. Participation certificates were distributed to all contestants who successfully took part in the event.

The **“Code-X”** program concluded successfully with positive feedback from participants and faculty. The event not only honed the coding capabilities of the students but also inspired them to explore the world of competitive programming and advanced software development.
