To
The Principal,
Santhiram Engineering College,
Nandyal.

Respected Sir,

Sub: Request to approve a One Day Hackathon on AI-Driven Full Stack Solutions in association with IQAC, IIC, SREC IEEE Student Branch and IEEE Computer Society- reg.

Ref: Lr. No. SREC/IQAC-1/2025-26, Dated: 30-06-2025

The Department of Computer Science and Engineering proposes to organize a program titled "AI-Driven Full Stack Solutions" in association with the IQAC, IIC, SREC IEEE Student Branch and IEEE Computer Society, at SREC on 14-9-2025.

This initiative is intended for the benefit of the students of the III year-I sem, CSE, aiming to enhance their academic and professional development through active participation. We kindly seek your permission to commence the planning and execution of the aforementioned program.

Report

Program Title : A One Day Hackathon on “**AI-Driven Full Stack Solutions**”
Organized By : Department of CSE, SREC
Program Coordinator : Mrs.V.Lakshmi Chaitanya, Asst.Prof.
Date : 14-9-2025
No. of Students Attended : 24 Teams

The department of CSE conducted a One Day Hackathon on “**AI-Driven Full Stack Solutions**” in association with SREC IEEE Student Branch and IEEE Computer Society 17901B on 14th September 2025. The Judge Mr.J.Vikash Kumar, Co-Founder, Mentorly, Hyderabad, Dr.M.V.Subramanyam, Principal of SREC, Dr.S.Md.Farooq, HoD of CSE Dept., Mrs.V.Lakshmi Chaitanya Program Coordinator, Faculty, Staff and 24 III CSE Student Teams are participated in this program.

Mrs.V.Lakshmi Chaitanya Program Coordinator did welcome the guest and participants of the event. She briefly introduces about the program as the event was aimed at fostering innovation, critical thinking, and problem-solving skills among students through the integration of Artificial Intelligence in full stack application development.

The Head of the Department, Dr.S.Md.Farooq expressed that the hackathon was designed to nurture creativity and hands-on problem-solving skills in students. He mentioned that the department has always strived to provide students with opportunities to apply classroom knowledge in practical domains. He further encouraged participants to actively engage in teamwork, share ideas, and showcase their talents in the emerging field of AI-driven applications.

The Principal, Dr.M.V.Subramanyam appreciated the initiative taken by the department and highlighted the growing importance of Artificial Intelligence in shaping the future of technology. He emphasized that hackathons provide an excellent platform for students to explore real-world challenges, apply their technical knowledge, and work collaboratively to innovate effective solutions. He motivated students to continue exploring AI integration in full stack development as it is the need of the hour for the IT industry.

The event was judged by Mr.J.Vikash Kumar ,Co-Founder of Mentorly an industry expert, who appreciated the enthusiasm and innovative thinking displayed by the participants. He noted that the projects reflected students' ability to blend Artificial Intelligence with full stack technologies to create practical and impactful solutions. He also guided the students on industry expectations, best practices in coding, and how AI integration can redefine application development in the coming years.

The hackathon witnessed enthusiastic participation from students across different batches. Teams worked rigorously throughout the day to develop and present their projects. The event concluded with the announcement of winners and distribution of certificates and prize money. From this hackathon, seven students were selected for an internship with Mentorly. The event ends with vote of thanks.
