REPORT

The Department of Basic Sciences conducted National Mathematics Day on 22-12-2020, on the eve of 133rd birth day celebrations of Srinivasa Ramanujan. The Chief Guest was Dr. M.V Subramanya, Principal of SREC. The Program was started at 10:30am in the Seminar Hall. Dr B.Sesaiah, HOD-BS welcomed the Principal to the dais and delivered an Inaugural address. The Chief Guest, while addressing the gathering stressed on the importance of mathematical and logical awareness to the professional graduates and said to understand the technical concepts and their applications. In this connection an online quiz competition was conducted to the students and the faculty members of various colleges. 260 members participated in the quiz competition and certificates were issued to the participants who scored minimum of 40% of the marks. The program coordinator was A.Shareef, Assistant Professor, BS. The participants said that the Program was very helpful for studying and applying engineering concepts to solve the real world problems and to enhance their knowledge in mathematics domain.

REPORT

The Department of Basic Sciences conducted National Science Day for all the I B.Tech students and faculty members of SREC on 28th February 2021. The resource person was V. Siva Reddy, Professor, Department of Mechanical Engineering, RGM CET, Nandyal. The Principal and the Resource person inaugurated the program at the college seminar hall. The students who prepared projects for science expo were showed and explained during the program. All the I B. Tech students were actively participated in the technical quiz and got certificates. The principal of SREC told to the students to respect the great discovery of the Raman Effect and Great Indian scientist Sir CV Raman, and explained about an importance of science and discovery to the society. The Resource Person enlightened the students with the great Indian scientist stories and their innovations in the power point presentation. Dr.A.P. Lingaswamy was the coordinator of the program. 245 Students participated. They said that and they got benefited from the program.

REPORT

The SREC NSS UNIT conducted the 7th International Day of Yoga on 21-06-2021, The Chief Guests were Mr. M. Nageswara Rao, Yoga Master, and Dr M V Subramanyam Principal. The Chief Guest enlightened the faculty members about Yoga, its importance and Yoga asanas (postures or poses) . He said "There are thousands of yoga poses, and in Sanskrit, these poses are called kriyas (actions), mudras (seals), and bandhas (locks). A kriya focuses on the effort necessary to move energy up and down the spine; yoga mudra is a gesture or movement to hold energy or concentrate awareness; and a bandha uses the technique of holding muscular contractions to focus awareness." NSS Program Officer Mr. S.Seetharamudu was coordinator of the program. 35 Faculty members from SREC were attended in the program. They said that they got benefited a lot and they were enlightened about health.

NAME OF THE PROGRAM : EKTHA DIVAS

DATA: 31-10-2019

VENUE : SEMINAR HALL

REPORT

The “EKTHA DIVAS”, was conducted by the department of BS The Chief guest S.Mahaboob Basha Dept. of MBA SREC- Dr M V Subramanyam, Principal, SREC, Mr. M Mohan Reddy, NSS Program Officer, Staff and Students from SREC participated in this program .The Chief guest explained the greatness of Ektha Divas and said "Sardar Patel was born in Karamsand, Gujarat, on October 31, 1875. His full name was Vallabhbhai Jhaverbhai Patel. He died in Bombay, India on December 15, 1950. He was a barrister, a statesman, an Indian National Congress leader and one of the founding fathers of the “Republic of India”. He worked hard to become a social leader for the country’s independence and people’s integration. To make India a newly liberated united country, his dedication to national integration was completely uncompromising. His dedication to uniting the country enabled him to integrate over 500 independent princely states through the 1947 Independence Act from the British rule to 1949."the coordinator was AG Venkateswarlu, Assistant Professor, BS. 206 students participated in this program and they said they got a lot of information from the program.
