Dear Sir/ Madam,

Sub: Request for Question paper setting – Reg.

* * *

I am pleased to inform you that you are appointed as Paper Setter for the subject **Linear IC Applications** Code No **4G352** of **III B. Tech. I-Semester**. You are requested to frame two sets of question papers in the subject mentioned. If any diagrams appear in the question papers, they are to be neatly drawn and the dimensions to be indicated clearly. For analytical / numerical questions the data can be provided in full. Answer key is not required.

You are eligible for remuneration at the rate of Rs 1,000/- per question paper including postal charges.

Two sets of Question papers(Set-1 & Set-2) are to be filled in prescribed format given in enclosures and sent by E-mail aitsrex@gmail.com. The remaining enclosed formats can also be filled and sent to **Controller of Examinations, Annamacharya Institute of Technology and Sciences, New Boyanapalli, Rajampet, Y S R Dist, Pin: 516 126** by Regd. Post or scanned copies to the mail address aitsrex@gmail.com. The rough sheets/worksheets used for preparation of question papers must be destroyed/burnout to maintain secrecy.

Password to open Question paper format: **qps16**

You are requested to send the question papers before **30-09-2016**

With kind regards,

Yours sincerely,

Dr. G. PRABHAKARA RAO

Minutes:

- ✓ Based on the approval from IQAC meeting (Ref. Lr.No. SREC/IQAC-02/2017-18) conducted this academic year, External Members & Alumni student decided to conduct certificate course for the students of III, & IV B.Tech – I Sem (EEE).
- ✓ For this odd semester “Power Management by using Power Electronics” certificate course was proposed to conduct through classroom mode.
- ✓ The course will be conducted by the external industry subject experts.
- ✓ The syllabus has to be structured based on the suggestions proposed by the Department faculties and external subject experts. The same has to be circulated among the students.
- ✓ **Mr. M.Siva Sankar**, Asst. Prof./ Dept. of EEE is appointed as course coordinator and he will complete the final design and development of the course. Also, he will take in-charge of this student program.
- ✓ The tentative date of commencement of the course will be 09/10/2017.
- ✓ The duration for the course is scheduled for 30 hours.

- ✓ Certificates will be issued to all students after successful completion of the course.
- ✓ The course content must and sure included with the following content:
 - Study of DC-DC Buck Converter using TPS7A4901 & TPS7A8360
 - Impact of line and load conditions on drop out voltage.
 - Impact of line and load conditions on efficiency.
 - Impact of capacitor on PSRR.
 - Impact of output capacitor on load transient response.
 - Design of Low-cost Boost converter to derive 12V 100mA from 5V USB.
 - Design of Low cost synchronous buck converter.
 - Design of low cost and power efficient Buck Converter that could be used as a USB charger for mobile devices deriving its power from an automotive battery.

Meeting Date: 06/02/2019

Meeting Time: 11:10AM-12:25PM

Minutes:

- ✓ Based on the approval from IQAC (Lr.No: SREC/IQAC-02/2018-2019, Dated: 13-06-2018) meeting conducted this academic year with dept advisory committee and alumni students, suggested to conduct certification program for the students of **II year B.Tech (ME), III year B.Tech (ME)**.
- ✓ For this even semester **PROGRAM ON FUNDAMENTAL OF AUTOCAD -APSSDC** was proposed to conduct.
- ✓ The Program can be conducted by the External faculty members.
- ✓ The syllabus has to be structured based on the suggestions proposed by the Dept. faculty and External person. The same has to be circulated among the students.
- ✓ **Mr. P. Venkataramana**, Asst. Prof. / ME is appointed as program coordinator and will take in-charge of this student program.
- ✓ **Mr. Kumar Mayank Priyadarshi** from APSSDC will be the Resource Person.
- ✓ **Mr. P. Venkataramana** & **Mr. Kumar Mayank Priyadarshi** will complete the final design and development of the program.
- ✓ The date of the course was finalized which will be conducted from **18/02/2019 to 23/02/2019**.
- ✓ The duration for the course is 30 hours.
- ✓ Certificates will be issued to the students after successful completion of the course.
- ✓ The course content must and sure included with the following.
 - Introduction to Basics commands interface of AUTOCAD.
 - Creative drawing commands like line, circle, arc, ellipse, polyline & spline, rectangle.

DEPARTMENT OF MECHANICAL ENGINEERING

- Work Modifying drawing Commands like move & copy, rotate & scale, offset & Mirror, Trim & extend, Erase, Fillet & Chamfer, Rectangle array, Polar array, Boolean operation
- Understand how to effectively use the Drawing Tools in interface and work space like understanding co-ordinate System, grid & Snap, polar & ortho mode, Object Snap, Isometric drawings.
- Create Dimensions of geometry for model development.
- Analyze Some Sample Parts by Managing drawings, working with blocks, Groups and attributes.
- Hands on Practice to produce 2D models and its Isometric drawings.

Department of Electrical & Electronics Engineering

- ✓ **Mr. Seetha Chaitanya**, Asst. Prof./ Dept. of EEE is appointed as course coordinator and he will complete the final design and development of the course. Also, he will take in-charge of this student program.
- ✓ The course is planned to conduct through virtual mode (Zoom online platform).
- ✓ The tentative date of commencement of the course will be 08.06.2020.
- ✓ The duration for the course is scheduled for 30 hours.
- ✓ Certificates will be issued to all students after successful completion of the course.
- ✓ The course content must and sure included with the following content:
 - Introduction, Need and Applications of Genetic Algorithms.
 - Step by Step Procedure to apply genetic algorithm.
 - Genetic Algorithm to find maxima of a function.
 - MATLAB/SIMULINK Implementation of the Above Application.
 - GA approach to solve Economic Dispatch Problem.
 - Multi Objective Optimization of Genetic Algorithm.

Their period of absence shall be treated as on duty and they are allowed to claim the eligible T.A. and D.A. as per University Rules. The examiners are advised to be present at the spot valuation center on the commencement date to ensure smooth conduct of spot valuation without fail.

The Principals are requested to intimate the same to the staff members concerned and each staff member may kindly be given a copy of this order along with relieving order. In case if any staff member is not able to attend the spot valuation duty, the Principals are requested to intimate the same to the undersigned. Further a copy of this instructions to the examiners is here with enclosed. They have to follow the instructions scrupulously.

NOTE:

1. If any staff member listed in above order has observer duty, the Principals are requested to make suitable alternative arrangement from amongst their staff members and the same may be intimated to the undersigned.

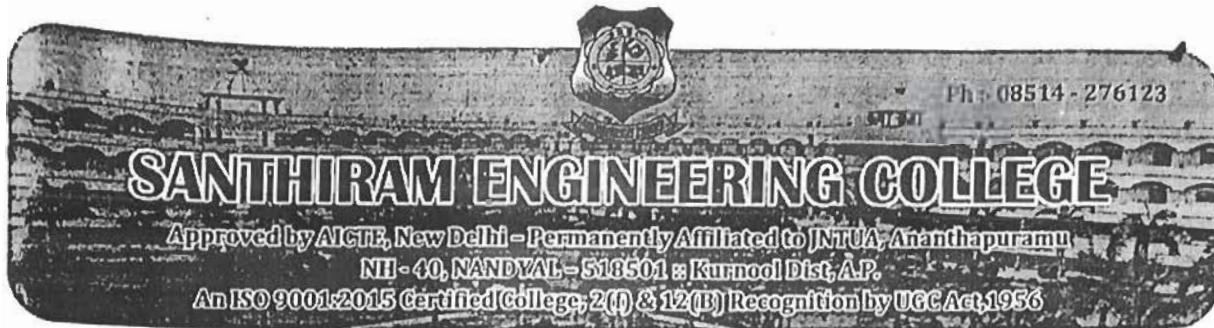

2. The examiners are requested to carry photo ID card of the college for Spot Valuation, which is mandatory without which they will not be allowed for Spot Valuation.

For any clarifications the Principals may contact Dr. M. Zamsudhara Reddy, Additional Controller of Examinations, Mobile No: 9900551724.

Their period of absence shall be treated as on duty and they are allowed to claim the eligible L.A. and D.A. as per University Rules. The examiners are advised to be present at the spot valuation center on the commencement date to ensure smooth conduct of spot valuation work.

The Principals are requested to intimate the same to the staff members concerned and each staff member may kindly be given a copy of this order along with retreating order in case if any staff member is not able to attend the spot valuation day. The Principals are requested to intimate the same to the undersigned. Further a copy of the instructions to the examiners is herewith enclosed. They have to follow the instructions scrupulously.

NOTE:

1. If any staff member listed in above order has observer duty, the Principals are requested to make suitable alternative arrangement from amongst their staff members and the order may be forwarded to the undersigned.

2. The examiners are requested to carry photo ID card of the college for Spot Valuation, which is mandatory without which they will not be allowed for Spot Valuation.

For any clarifications, the Principals may contact Sri. M. Ramakrishna Reddy, Additional Controller of Examinations Mobile No: 900051724.

Ref:-1.Procs.No:DAAO/A2/RGM CET (A)/Academic Council/2018, dated: 25/06/2018.

Greetings from RGM CET, Nandyal.

I am very glad to inform you that you have been nominated as internal member (ECE) for the Academic Council of Rajeev Gandhi Memorial College of Engg. & Tech., (Autonomous) for a period of three years i.e 2018-19 to 2020-21. The UGC has renewed Autonomous status to RGM CET for a period of 10 (Ten) years from the academic year 2018-19 to 2027-28. I congratulate and request you to be a member on the Academic Council and I am sure that your experience and expertise will help the institute in formulating the best possible regulations and programmes for the students of RGM CET, Nandyal. The second meeting (in all 13th meeting after getting Autonomous status from UGC) of the revised Academic Council of RGM CET will be held on 15-07-2019 i.e Monday at 11.00 A.M, in the Principal's chamber. The agenda of the meeting is as follows:

Agenda:

1. To confirm the minutes of the last meeting held on 31-07-2018.
2. To ratify the UG Engineering and PG Engineering regulations, course structure and Syllabus of I.B.Tech, I M.Tech, I MBA and I MCA as per AICTE guidelines.
3. To review and suggest the moderation rules applicable from 2019 batch onwards.
4. To review the results announced after 31.07.2018.
5. To approve the equivalent subjects for Rejoined Students.
