## ECAP- Engineering College Automation Package

### Introduction to ECAP:

ECAP stands for Engineering College Automation Package. It is designed and developed by Webpros Solutions Pvt. Ltd., Visakhapatnam. ECAP aims at immediate availability of data in required formats to ease the work of staff and management and increase in transparency and accountability in administration.

Institute started using ECAP in its day-to-day academic and administrative activities. The chronological transformation of academic activities is achieved through strategic planning from offline to online which can be briefed as follows:

### **SREC-ECAP HOME PAGE SCREENSHOT:**

The screenshot displays the home page of the SREC-ECAP system. At the top, there is a navigation bar with a back arrow, a refresh icon, and a security warning 'Not secure | 192.168.1.251/ecap/Default.aspx'. The main header features the college's logo on the left and the text 'SANTHIRAM ENGINEERING COLLEGE' in the center, followed by '(Approved by AICTE New Delhi | Affiliated to JNTUA)', 'NH-18, Nandyal, Kurnool (dist) - 518501 Phone: 08514 - 276201, 276202 | Fax: 08514 - 276123', and 'Website: www.srecnandyal.com'. Below the header is a wide banner image showing various college events. The main content area contains two login forms: 'Employee Login' and 'Student Login'. Each form has a 'User Name' field, a 'Password' field, and a 'LOGIN' button. The 'Employee Login' form includes a small icon of a person, and the 'Student Login' form includes a small icon of a graduation cap.

**A brief report on ONE DAY SEMINAR**

Department of Computer Science and Engineering had conducted a one day awareness seminar titled "CYBER SECURITY HACKATHON" on 11/04/2018, in association with Computer Society of India (CSI) and INDIAN FREEMERS PVT.LTD

Internet has evolved as information transport system and many fields are utilizing the Internet for all their activities. But they are failing to protect their valuable information from unauthorized access over the Internet. At this stage, Cyber Security evolved as an emerging technology for securing the data transmissions over Internet.

In this seminar, introduction and importance of CYBER SECURITY, domains in cyber security and automation tools available for testing the cyber attacks has been explored by Mr. M. Krishna Reddy, Head of security services(eSF Labs) and Mr. T. Deepthi Kishore, District Development Officer(APITA) to III-B.Tech & IV-B.Tech students.
