PROGRAMME THEME

Personality development plays a crucial role in one's career growth. An individual who can contribute not only in his area of expertise but other domains as well are bound to get quick promotions and lucrative incentives and rewards.Personality development helps you set goals and expectations for yourself. Any individual without a vision in life not only fails to deliver but also gets easily lost in the crowd.Personality development requires meticulous planning and careful analysis. It helps you develop a positive attitude in life and inculcate positive qualities like punctuality, flexible attitude, willingness to learn, friendly nature, eagerness to help others and so on.

Career guidance refers to services and activities intended to assist individuals of any age and at any point throughout their lives to make educational, training and occupational choices and to manage their careers. Our life will be thinkable without the use of Electrical Energy. Future prospects of EEE graduates are wide and bright. Electrical and Electronics Engineering can work in various fields as Power Engineering, Instrumentation Engineering etc. EEE students find placements fairly easily because most employers search for fresh minds with good training. Electrical and Electronics engineers are the most valued on the job market. After completing B.Tech, students have scope in both public and private sectors like NHPC, NTPC, APPSC, UPSC,IES,BEL,BHEL,NALCO etc.

ABOUT SREC:

Santhiram Engineering College (SREC) is sponsored by M/s. Sri Shiridi Sai Sadan Educational Academy, Nandyal. It is started under the Chairmanship of Dr.M. Santhiramudu and Managing Directing Er. M. Siva Ram in the year 2007. It is affiliated to JNTUA, Anantapuramu and is situated on NH – 40, Nandyal, Kurnool Road.

This College is offering 4 disciplines in Engineering courses as EEE, ME, ECE, CSE, and PG courses of MBA, and M.Tech(ECE).

The main aim of SREC is to produce social responsible Managerial and Technocrats who can meet the global challenges of building a modern society in harmony with nature.

ABOUT DEPARTMENT:

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employ ability skills and achieve good placement in various industries.At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards

PROGRAMME THEME

Graduate Aptitude Test in Engineering (GATE) is an examination conducted jointly by the Indian Institute of Science (IISc), Bangalore and the seven Indian Institutes of Technology. Qualifying in GATE is a mandatory requirement for seeking admission and/or financial assistance to Master's programs and direct Doctoral programs in Engineering & Technology and Doctoral programs in relevant branches of Science, in the institutions supported by the MHRD and other Government agencies. The purpose of the GATE exam is to test students knowledge and understanding of their under Graduate level subjects in Engineering and Science. Every year lakhs of Engineering graduates passout from universities and engineering colleges.

GATE is the present competitive scenario to measure and test the caliber of engineering students is possible through the GATE exam only. GATE score of the candidate is used by several public sector undertakingslike Indian Oil, GAIL, and Hindustan Petroleum etc.) for recruiting graduate engineers in entry-level positions, to get Fellowship Programs from CSIR and Scholarships in ME/M.Tech and helpful for admission into Ph.D.'s and many more.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (Chairman of RGM group of Educational Institutions) in the year 2007 at Nerawada cross roads on NH-40, with a motto of "Education for Peace & Progress".

Mission

- To provide value based Education in Technical field.
- To become a self-sustained University.

Vision

- ✓ To establish Postgraduate Programs in Advanced Technologies.
- ✓ To establish an effective R&D consultancy cell.
- ✓ To develop the Industry Institute Interaction.
- ✓ To motivate the Young Engineering Graduates to become successful Entrepreneurs.
- ✓ To achieve 100% results and 100% placements.

ACHIEVEMENTS & AWARDS

- Bagged various University Ranks in the results.
- Professional Chapters like IE(I), ISTE ,CSI& IEEE.
- ISO 9001:2015 Certified Institution.
- Recognized under 2(f) & 12(B) of UGC Act, 1956.
- Achieved JNTUA Gold Medal by IT Student.
- Achieved JNTUA Gold Medal by EEE Student in the year2015.
- Achieved two PRATHIBHA Awards by EEE Students from Government of Andhra Pradesh in the year 2015.
- Received Global Education Excellence award as **Best Fastest Growing Engineering College** in A.P in 2014 from Prime Time Research Media PVT. Ltd.
- Dr M.V. Subramanyam, Principal received a patent for his invention entitled as "A New topology and its management for Adhoc wireless networks" 10/04/2014

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi: Recognized by UGC under 2(f) and 12 (B): Permanently Affiliated to JNTUA, Anathapuramu: Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA Anantha puramu. SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist. Andhra Pradesh. It is a learning abode for 1600+ Students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

Vision:

To Produce "Creators of Novel Technologies"

Mission

To be recognized nationally and internationally for delivering outstanding computer science education and conducting research of high distinction, both of value and relevance to

the communities we serve Producing quality graduates trained in the latest tools and technologies and striving to make India a world leader in software and hardware products and services. To achieve academic excellence in Computer Science Engineering by imparting in-depth knowledge among the students, facilitating research activities and cater to the ever-changing industrial demands and societal needs. We envision our students have excellent engineers not only in the field of science and technology but also in good citizenship and discipline our commitment lies in producing comprehensive knowledge workers and human individuals, capable of building a strong and developed nation.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri ShirdiSai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi: Recognized by UGC under 2(f) and 12 (B): Permanently Affiliated to JNTUA, Anantapuramu: Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA. Ananthapuramu.The first Institution in Andhra Pradesh to have an R&D center sanctioned by BHEL, India.

SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist. Andhra Pradesh. It is a learning abode for 1600+ Students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

ABOUT THE DEPARTMENT

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews..

ABOUT THE PROGRAM

Quantitative aptitude is an inseparable and an integral part of aptitude exams in India. It tests the **quantitative** skills along with logical and analytical skills. One can test their own number handling techniques and problems solving skills by solving these questions

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi: Recognized by UGC under 2(f) and 12 (B): Permanently Affiliated to JNTUA, Anathapuramu: Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA Anantapuramu. SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist. Andhra Pradesh. It is a learning abode for 1600+ students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

Vision:

To Produce "Creators of Novel Technologies"

Mission

To be recognized nationally and internationally for delivering outstanding computer science education and conducting research of high distinction, both of value and relevance to the communities we serve Producing quality graduates trained in the latest tools and technologies and striving to make India a world leader in software and hardware products and services. To achieve academic excellence in Computer Science Engineering by imparting in-depth knowledge among the students, facilitating research activities and cater to the ever-changing industrial demands and societal needs. We envision our students have excellent engineers not only in the field of science and technology but also in good citizenship and discipline our commitment lies in producing comprehensive knowledge seekers and human individuals, capable of building a strong and developed nation.

About College:

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi: Recognized by UGC under 2(f) and 12 (B): Permanently Affiliated to JNTUA, Anathapuramu: Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA, Ananthapuramu. SREC is situated on NH=40, 12 KM away from Nandyal, Kurnool Dist, Andhra Pradesh. It is a learning abode for 1600+ Students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

Vision:

To Produce "Creators of Novel Technologies"

Mission

Producing quality graduates trained in the latest tools and technologies and striving to make India a world leader in software and hardware products and services. To achieve academic excellence in Computer Science Engineering by imparting in-depth knowledge among the students, facilitating research activities and cater to the ever- changing industrial demands and societal needs. We envision our students have excellent engineers not only in the field of science and technology but also in good citizenship and discipline our commitment lies in producing comprehensive knowledge seekers and human individuals, capable of building a strong and developed nation. To be recognized nationally and internationally for delivering outstanding computer science education and conducting research of high distinction, both of value and relevance to the communities we serve.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (chairman) in the year 2007 at Nerawada cross road on NH-40 with a motto of **"Education for Peace & Progress".**

VISION

- To provide value-based Education in Technical field.
- To become a Self-Sustained University.

MISSION

- To establish Postgraduate Programs in Advanced Technologies
- To establish an effective R&D consultancy cell.
- To develop Industry Institution Interaction.
- To achieve 100% results and placements.

The college has achieved various State & University ranks right from beginning of the college. College is functioning with different professional Students Chapter like IE (I), ISTE, CSI & IEEE etc.

ABOUT THE DEPARTMENT

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in variousIndustries.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

Objectives:

The prime objective of the Training Cell is

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.

ABOUT THE PROGRAM

In many recruitment processes, the candidate's quantitative aptitude is tested through a written test and the candidate's capabilities and skills pertaining to the job are tested in a personal interview. While the written test is something all students have been doing since school, a personal interview is a completely different ball-game, as in an interview, the candidate has to convince the interviewer on his/her capability of handling the role, in technical aspects and personal aspects. This has to be done in a face-to-face manner, wherein the candidate's attitude and confidence play an equal role as his/her knowledge and skills in their domain.

PROGRAMME THEME

Career guidance refers to services and activities intended to assist individuals of any age and at any point throughout their lives to make educational, training and occupational choices and to manage their careers. Our life will be thinkable without the use of Electrical Energy. Future prospects of EEE graduates are wide and bright. Electrical and Electronics Engineering can work in various fields as Power Engineering, Instrumentation Engineering etc. EEE students find placements fairly easily because most employers search for fresh minds with good training. Electrical and Electronics engineers are the most valued on the job market. After completing B.Tech, students have scope in both public and private sectors like NHPC, NTPC, APPSC, UPSC, IES, BEL, BHEL, NALCO etc.

Higher education opportunities to pursue if you are interested in specialization and research and can opt for Masters Programme in IIT's and NIT's (ME, MS, M.Tech) and there after pursue PhD. Those who wish to pursue higher education after a B.Tech in EEE one has have to clear the competitive examinations like GATE. B.Tech graduates in Electrical and Electronics has the options to choose various specializations in the Masters Programme such as Power Electronics, VLSI Design, Control and Instrumentation, Renewable Energy Technologies etc.

ABOUT SREC.

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (chairman) in the year 2007 at Nerawada cross road on NH-40 with a motto of **"Education for Peace & Progress".**

VISION

- To provide value-based Education in Technical field.
- To become a Self-Sustained University.

MISSION

- To establish Postgraduate Programs in Advanced Technologies
- To establish an effective R&D consultancy cell.
- To develop Industry Institution Interaction.
- To achieve 100% results and placements.

The college has achieved various State & University ranks right from beginning of the college. College is functioning with different professional Students Chapter like IE (I), ISTE, CSI & IEEE etc.

COURSES OFFERED

The institute is offering 04 UG Engineering and Technology (Bachelor of Technology) courses and 02 PG Engineering courses (Master of Technology) apart from Master of Business Administration (MBA) JNT University, Anantapur. The intake of institute per annum is 490.

ABOUT THE DEPARTMENT

The Placement Cell plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews

Mission

To be recognized nationally and internationally for delivering outstanding computer science education and conducting research of high distinction, both of value and relevance to

the communities we serve Producing quality graduates trained in the latest tools and technologies and striving to make India a world leader in software and hardware products and services. To achieve academic excellence in Computer Science Engineering by imparting in-depth knowledge among the students, facilitating research activities and cater to the ever-changing industrial demands and societal needs. We envision our students have excellent engineers not only in the field of science and technology but also in good citizenship and discipline our commitment lies in producing comprehensive knowledge seekers and human individuals, capable of building a strong and developed nation.

PROGRAMME THEME

Job orientation refers to services and activities intended to assist individuals of any age and at any point throughout their lives to make educational, training and occupational choices and to manage their careers. Our life will be thinkable without the use of Electrical Energy. Future prospects of EEE graduates are wide and bright. Electrical and Electronics Engineering can work in various fields as Power Engineering, Instrumentation Engineering etc.EEE students find placements fairly easily because most employers search for fresh minds with good training. They are glad to get young people they can mould to their own specific needs and turn them into experts. This is also the reason why Electrical and Electronics engineers are the most valued on the job market. After completing B.Tech, students have scope in both public and private sectors like NHPC, NTPC, APPSC, UPSC, IES, BEL, BHEL, NALCO etc.

Higher education opportunities to pursue if you are interested in specialization and research and can opt for Masters Programme in IIT's and NIT's (ME, MS, M.Tech) and there after pursue PhD. Those who wish to pursue higher education after a B.Tech in EEE one has have to clear the competitive examinations like GATE. B.Tech graduates in Electrical and Electronics has the options to choose various specializations in the Masters Programme such as Power Electronics, VLSI Design, Control and Instrumentation, Renewable Energy Technologies etc.

About College:

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi; Recognized by UGC under 2(f) and 12 (B); Permanently Affiliated to JNTUA, Anathapuramu; Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA, Ananthapuramu. SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist, Andhra Pradesh. It is a learning abode for 1600+ Students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

Vision:

To Produce "Creators of Novel Technologies"

Mission

Producing quality graduates trained in the latest tools and technologies and striving to make India a world leader in software and hardware products and services. To achieve academic excellence in Computer Science Engineering by imparting in-depth knowledge among the students, facilitating research activities and cater to the ever- changing industrial demands and societal needs. We envision our students have excellent engineers not only in the field of science and technology but also in good citizenship and discipline. Our commitment lies in producing comprehensive knowledge seekers and human individuals capable of building a strong and developed nation. To be recognized nationally and internationally for delivering outstanding computer science education and conducting research of high distinction, both of value and relevance to the communities we serve.

CAREER GUIDANCE AWARENESS PROGRAMME ON
"HIGHER EDUCATION"

Organized by

OFFICE OF THE TRAINING & PLACEMENT

IN ASSOCIATION WITH SOWRYA CONSULTANCY, SREC

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (chairman) in the year 2007 at Nerawada cross road on NH-40 with a motto of **"Education for Peace & Progress"**.

VISION

- To provide value-based Education in Technical field.
- To become a Self-Sustained University.

MISSION

- To establish Postgraduate Programs in Advanced Technologies
- To establish an effective R&D consultancy cell.
- To develop Industry Institution Interaction.
- To achieve 100% results and placements.

The college has achieved various State & University ranks right from beginning of the college. College is functioning with different professional Students Chapter like IE (I), ISTE, CSI & IEEE etc.

ABOUT THE DEPARTMENT

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various Industries. At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully-fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

Objectives:
The prime objective of the Training Cell is

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.

ABOUT THE PROGRAM

Aptitude is your natural ability to learn or excel in a certain area. It is often the case that a person has a group of aptitudes that fit together and helps them succeed at specific tasks. For example, you could have an aptitude for math and logic. Those two aptitudes likely help you excel in probability and statistics. They are used to assess candidates in terms of their skills, knowledge, ability and personality. Aptitude tests are an accurate way of predicting the potential contribution of a candidate and the likelihood of them achieving success within the organization. Aptitude is your natural ability to learn or excel in a certain area. It is often the case that a person has a group of aptitudes that fit together and helps them succeed at specific tasks. For example, you could have an aptitude for math and logic.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (chairman) in the year 2007 at Nerawada cross road on NH-40 with a motto of **"Education for Peace & Progress".**

VISION

- To provide value based Education in Technical field.
- To become a Self-Sustained University.

MISSION

- To establish Postgraduate Programs in Advanced Technologies
- To establish an effective R&D consultancy cell.
- To develop Industry Institution Interaction.
- To achieve 100% results and placements.

The college has achieved various State & University ranks right from beginning of the college. College is functioning with different professional Students Chapter like IE (I), ISTE, CSI & IEEE etc.

ABOUT THE DEPARTMENT

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in variousIndustries.
At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

Objectives:
The prime objective of the Training Cell is

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.

CARRER GUIDANCE PROGRAMME ON

"APTITUDE TESTING& CAREER GUIDANCE FOR NOW AND THE FUTURE

Organized by

OFFICE OF THE TRAINING & PLACEMENT

IN ASSOCIATION WITH ANIL NAIR CLASSES, SREC

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shiridi Sai Educational Academy, Nandyal, under the guidance of Dr. M. Santhiramudu (chairman) in the year 2007 at Nerawada cross road on NH-40 with a motto of "**Education for Peace & Progress**".

VISION

- To provide value based Education in Technical field.
- To become a Self-Sustained University.

MISSION

- To establish Postgraduate Programs in Advanced Technologies
- To establish an effective R&D consultancy cell.
- To develop Industry Institution Interaction.
- To achieve 100% results and placements.

The college has achieved various State & University ranks right from beginning of the college. College is functioning with different professional Students Chapter like IE (I), ISTE, CSI & IEEE etc.

ABOUT THE DEPARTMENT

Placement training plays a major role in shaping up the career goals of students. It is the dream of every engineering student to get placed in a top organization visiting their campus for recruitment. Keeping this key aspect into consideration, it is realized that training is important for engineering students to enhance their employability skills and achieve good placement in various Industries.

At present, the competition for employment is increasing every day and placement has become a challenging task. Training of students and equipping them with life skills has become an important responsibility of the institution. Along with technical expertise, development of a holistic personality is also necessary. To meet out these requirements, a fully fledged training cell is operating in our college to enhance the capabilities of engineering graduates on par with the industry standards.

Objectives:

The prime objective of the Training Cell is

- To look for 100% employment for all students.
- To recognize the core competencies of the students.
- To train the students to meet the expectations of the industry through our Career Development Programmes.

ABOUT THE PROGRAM

In many recruitment processes, the candidate's quantitative aptitude is tested through a written test and the candidate's capabilities and skills pertaining to the job are tested in a personal interview. While the written test is something all students have been doing since school, a personal interview is a completely different ball-game, as in an interview, the candidate has to convince the interviewer on his/her capability of handling the role, in technical aspects and personal aspects. This has to be done in a face-to-face manner, wherein the candidate's attitude and confidence play an equal role as his/her knowledge and skills in their domain.

SANTHIRAM ENGINEERING COLLEGE

Career Guidance Program on Importance of Higher Education to Engineering Students

18 NOVEMBER 2020

ABOUT INSTITUTION

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy. Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman, in the year 2007 with a noble motto "Education for Peace and Progress". The college is ranked as one of the Best Engineering Colleges of JNTUA. Ananthapuramu. SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist, Andhra Pradesh. It is a learning abode for 1600+ Students. The campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce engineers and managers who can contribute to the progress of the Nation and the World through excellent scientific, technical innovations . and research activities technical innovations and research activities.

ABOUT DEPARTMENT

The department was initially started with an intake of 60 seats. Since the opportunities are stupendous and the increase in demand for the production of engineers it was upgraded to 120 seats in 2008. Forecasting the tremendous growth & opportunities in Very Large Scale Integrated (VLSI) circuit design, the department has also started a Master of Technology (M. Tech) program in VLSI System Design in the year 2011 with an intake of 18 seats. The department has a very good infrastructural and instructional facility to cater the needs of student community of the department.

The objectives of the department include: producing quality engineers, engaging in research activities and encouraging students to be active in entrepreneurship. The faculty has been involved in teaching and research in the diverse aspects such as Wireless Communications & Networking, Microelectronics and VLSI, Digital Image Processing and Antenna design. The department has state of the art laboratories. The department extends its unwavering

ABOUT PROGRAM

The focus of higher education should be on creating prepared minds in their graduates, and government sponsored research and development in higher education institutions is a great way to enrich the education of future engineers.Higher education can lead to many benefits, including a prosperous career and financial security. People with higher education have a better opportunity to find a good job and get more social benefits. Higher education provides a gateway to a number of opportunities in the future. Higher education can lead to many benefits including a prosperous career, financial security and higher growth opportunities are some of the benefits of higher education.

Career guidance refers to services and activities intended to assist individuals of any age and at any point throughout their lives to make educational, training and occupational choices and to manage their careers Electronics and Communication engineers are the most valued on the job market. After completing B.Tech, students have scope in both public and private sectors like ECIL,BELL APPSC ,UPC,IES.

ABOUT THE COLLEGE

Santhiram Engineering College (SREC) is sponsored by M/s Sri Shirdi Sai Educational Academy, Nandyal. SREC is established under the able guidance of Dr. M. Santhiramudu, Chairman in the year 2007 with a noble motto "Education for peace and progress". SREC is approved by AICTE, New Delhi: Recognized by UGC under 2(f) and 12 (B): Permanently Affiliated to JNTUA, Anathapuramu: Certified to an ISO 9001:2015. The college is ranked as one of the Best Engineering Colleges of JNTUA, Anantapuramu. The first Institution in Andhra Pradesh to have an R&D center sanctioned by BHEL, India.

SREC is situated on NH-40, 12 KM away from Nandyal, Kurnool Dist, Andhra Pradesh. It is a learning abode for 1600+ Students. The Campus is pollution free and its serene environment is ideally suited for academic activities. Our goal is to produce Engineers and Managers who can contribute to the progress of the Nation and the World through excellent Scientific, Technical Innovations and Research Activities.

ABOUT THE DEPARTMENT

The Department of Mechanical Engineering is started with a vision to establish a global knowledge centre in the field of mechanical engineering where the best of scientific and technical education, research and industry outreach the synergizing culminations.

The Department of Mechanical Engineering (ME) is offering a UG Program in B.Tech from the year 2011 with an intake of 60 students and it was increased to 120 in 2014 to meet the growing demand for qualified technical personnel in the field of Mechanical Engineering. The Department's strength is constantly upgrading infrastructure & Laboratory facilities. The department has well qualified, dedicated and experienced faculty. A conductive environment exists in the Department for both students and staff. Quality technical education is provided to the students in the core areas of the field to meet the challenges of globalization. The Department also associated with Engineers Without Borders-India (EWB-India) a students' Chapter

ABOUT THE PROGRAM

Mechanical engineering is one of the oldest branches of engineering. It is also referred to as the 'mother' branch of engineering. Another appealing feature of mechanical engineering is that the application base of this field of study is extremely broad and diverse. Almost all inventions during the ancient period and a vast majority in the modern era are direct contributions of one or the other application of mechanics.

Traditionally, mechanical engineers have to deal with concepts such as mechanics, thermodynamics, robotics, kinematics, structural analysis, fluid mechanics and many others. These concepts are applied in the process of designing state-of-the-art manufacturing units, different types of motor vehicles, aircraft and aerospace parts and a vast assortment of industrial machinery. Mechanical engineers also contribute in the development of various engines, power plant equipment, heating and cooling systems and other simple and complex machinery. Mechanical engineers not only design new mechanical systems but they are also responsible for testing, maintaining and manufacturing them.

ABOUT THE RESOURCE PERSON

Mr. K. Rakesh Kumar, Assistant Manager, The GATE Academy, Hyderabad graduated Mechanical Engineering from Vignan's Engineering College, Vadlamudi under JNTUH passed in the year 2008. Present working as assistant manager in the Gate Academy Hyderabad from 2014 to till now.

Carried many programs and attended as a resource persons in various Engineering colleges. Many students were got a good job from this institution under his teaching.
