SREC is known for its dedicated act of donating blood. As a regular practice of donating every year this year too, it has organized the camp systematically on 14.07.2016 from 10 am to 2pm in the seminar hall.

NSS team has created a convenient environment arranging all the needed facilities that are important for the camp. NSS students motivated all the other students by bringing awareness about the blood donation through mouth propaganda and through social network. Nearly 95 have attended and it has been a good number within a short span of time.

Chairman of SREC Dr. Santhiramudu, Principal of the college Dr.M.V.Subramanyam, along with all the Heads of the departments appreciated the NSS PO Rajashekar and applauded their timely and logistic support rendered by the entire NSS team.

In its thirty ninth flight (PSLV-C37), ISRO's Polar Satellite Launch Vehicle successfully launched the 714 kg Cartosat-2 Series Satellite along with 103 co-passenger satellites today morning (February 15, 2017) from Satish Dhawan Space Centre SHAR, Sriharikota. This is the thirty eighth consecutively successful mission of PSLV. The total weight of all the 104 satellites carried on-board PSLV-C37 was 1378 kg.

PSLV-C37 lifted off at 0928 hrs (9:28 am) IST, as planned, from the First Launch Pad. After a flight of 16 minutes 48 seconds, the satellites achieved a polar Sun Synchronous Orbit of 506 km inclined at an angle of 97.46 degree to the equator (very close to the intended orbit) and in the succeeding 12 minutes, all the 104 satellites successfully separated from the PSLV fourth stage in a predetermined sequence beginning with Cartosat-2 series satellite, followed by INS-1 and INS-2. The total number of Indian satellites launched by PSLV now stands at 46.
