Date: 12/09/2018

Organizing Dept. : Dept of MBA
SANTHIRAM ENGINEERING COLLEGE,
Nandyal, Kurnool Dist., AP

The Department of MBA organized one day Seminar on **Logistics management in association with SS Technologies, Kurnool.** The students from MBA - SREC and also from other colleges were participated in the program. The Inauguration was held on **12/09/2018 at 10.00 AM** in the conference hall by Principal - Dr. M.V. Subramanyam garu.

Dr.K.Viswanatha Rao, Director, SS Technologies Training Centre, Kurnool, was the resource person for one day seminar. The program highlighted about the importance of Logistics Management. He covered the concepts of logistics management, logistics resources, structure etc.

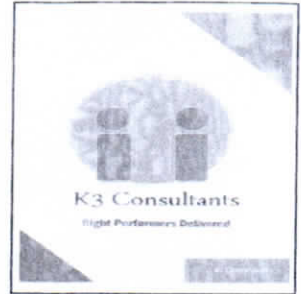

The following are the outcomes of the Program:

- Physical metrics used to evaluate inventory systems include stocking capacity, selectivity, superficial use, volumetric use, transport capacity, transport capacity use.
- Monetary metrics used include space holding costs (building, shelving, and services) and handling costs (people, handling machinery, energy, and maintenance).
- Packaging the product is a responsibility of the logistics team because otherwise the product will reach damaged to the end customer and this is a huge cost to the company
- Logistics management involves the proper supply of goods and services at each stage and it cannot be managed well without proper Logistics Planning
